INTERVIEW SCHEDULED FOR 17 OCTOBER 2006

Sir:

Applicants requested and were granted an interview with Robert Stevens that is scheduled for Tuesday, October 17, starting at 3:00 p.m. EDT.

The spirit of this interview is to advance the case towards allowance. The last correspondence in this case was the **Final Office Action** mailed 28 September 2006. Applicants are prepared to offer amendments after discussion of the Examiner's suggestions, if necessary. Applicants would like to discuss with the Examiner the best way to advance this case towards allowance.

Application No. 10/246,681

Attorney Docket No.: OIN 1009-1

During the interview, Applicants hope to begin with the technology disclosed and also discuss:

1. The difference between a GUI utility that helps organize information for submission to a search engine and operation of the search engine itself.
2. The usefulness of a GUI utility that helps organize information for submission to a search engine, using the cited reference Deja Power Search GUI as an example of such a GUI utility.
3. Why, after the Examiner's section 101 and 112 rejections were withdrawn in the Final Office Action of June 29, 2005, new 101 and 112 rejections are being made at this late stage of prosecution?
4. What wording will agreeably capture the differences between the technology disclosed and the art of record?

The undersigned can ordinarily be reached at his office at (650) 712-0340 from 8:30 a.m. to 5:30 p.m. PST, Monday through Friday, or can be reached at his cell phone at (650) 200-5150.

Respectfully submitted,
